Church of the Resurrection

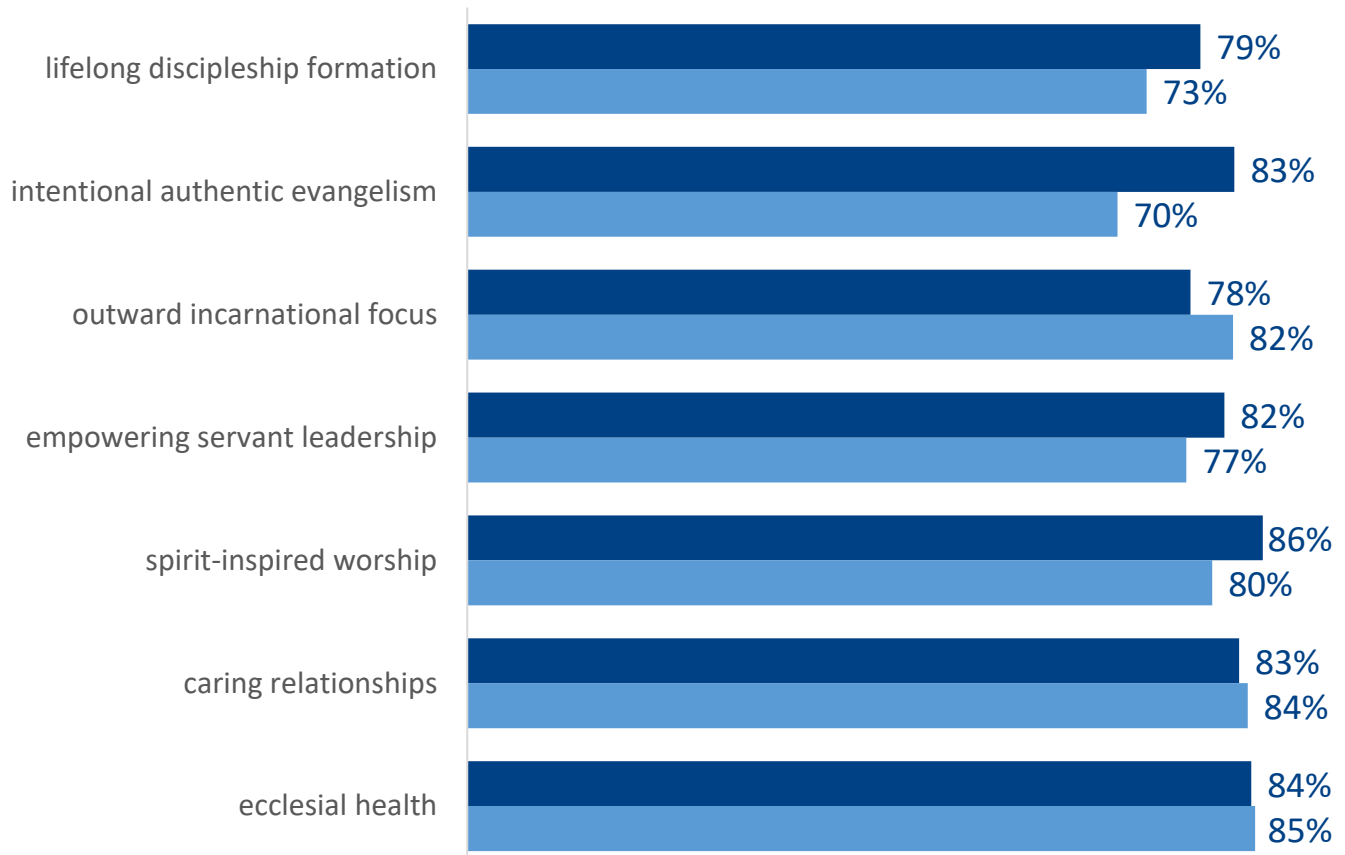

CONGREGATIONAL VITALITY

Total Respondents:

15 leadership & staff

90 worshippers

*Below are your congregation's scores on each of the seven marks of vitality. Results from **leadership & staff** and **worshippers** are provided for your comparison.*

Pay attention not only to which scores are highest (your strengths) and your lowest (your weaknesses), but also take note of any area where there is a 10% or higher difference in ratings between leadership & staff and worshippers. This could be indicative of an area where worshippers are not aware of what your church is doing, or where leadership is unaware of issues in the church.

The percentage scores were calculated based on average responses to multiple items in the surveys, which have been combined into scales representing each of the 7 marks of vitality.
