Why should I give to the Resurrection Foundation?

First of all, you are giving through the foundation, not to it! Creating and implementing a gift to your church is a transforming experience. By giving to the foundation, you can change your asset to a resource that will fund the future mission and ministry of the church. Our foundation provides a way for you to continue to serve the ministries and missions of the church of the Resurrection long after you are gone, so you are truly making a gift to future generations of Christians.

How can I find out more about this program and my giving opportunities?

The Trustees and Rector invite the parish to contact any one of them with questions, comments or suggestions about the Resurrection Foundation. The names of the current Trustees may be found by calling the church office; they always include the current Senior Warden and the Rector. A binder with all foundation documents and policies is available for your review in the church office.

The Episcopal Church of the Resurrection Foundation

An introduction to our parish's foundation, a pool of gifts from many members, over many years, that ensures our capacity for mission and ministry from generation to generation.

What is The Episcopal Church of the Resurrection Foundation?

The Episcopal Church of the Resurrection Foundation was established in 2009 to further the mission and ministry of our parish. Proceeds from the foundation will be used to support the parish's outreach and missions and to make capital improvements and acquire property for the church. It is a tax-exempt organization affording significant benefits to church members and others who donate gifts during their lifetime and/or after death.

Who manages the Foundation?

A five-member Board of Trustees oversees the foundation. Three members of the Board are elected by the Vestry for three-year terms; they are joined by the Rector and Senior Warden. The Trustees are advised by appropriate legal and financial professionals. The Board meets at least quarterly to review and manage the foundation. They follow guidelines including donor stipulations and the foundation's investment, spending, and gift acceptance policies. The Trustees report to the Vestry and parish at least annually.

The Trustees determine annually the amount of the disbursement to the Church. Since preservation of capital is a major goal, they will usually allocate no more than 5% of the foundation's assets for the parish's use.

How will my donation be used?

Your faithful donation to The Episcopal Church of the Resurrection Foundation during your lifetime and/or after death enables the foundation to support significantly the ministry and mission of the Church of the Resurrection.

Most often, gifts will be directed to the unrestricted part of the foundation. These unrestricted bequests allow the Trustees to consider non-budgeted financial requests for such important projects as: youth and adult mission trips; community ministries; and significant enrichments of the parish's and buildings.

The Foundation Trustees will be glad to consider other church-related purposes and designations from donors. Please share your idea with us. Many parish foundations have designated funds for mission and outreach, music, or ministries that have been important to donors in their lifetimes.

What is the value of the Foundation?

The church funded the foundation by transferring to it the parish's unrestricted investment account, itself the creation of many bequests over our 124-year history. At the time of publication, the foundation's assets have a value of approximately \$689,560. We hope to grow the foundation significantly in the years ahead through our planned giving ministry. The foundation will grow through gifts to the unrestricted fund and new donor-designated funds.

How can I become part of the Resurrection Foundation?

There are many ways you can change your asset to a resource to fund future missions and ministry through the Resurrection Foundation:

Assigning investments to your parish's foundation as a Transfer on Death (TOD) C

Charitable gift annuities with lifetime payments I

Include your parish's foundation in your will, bequeathing a percentage of your estate for the church's work.

Designating the Foundation as a beneficiary on annuities, life insurance and retirement plans.

Direct gifts of cash, securities, real estate and other valuable items

Gifts of real estate Gifting of life insurance

Personal trust accounts

Tax-advantaged asset transfers

The Trustees will be happy to share information with you on the various means of making a gift. It is important that all Christians have a will that includes provision both for one's family and Christian stewardship. Please consult with your legal and financial advisors.

We will be thankful if you will inform us of the plans you have made. Those who make outright or planned gifts will be recognized at gatherings of the Friends of the Foundation.
